

# Summertime Golf Course Yard Sign Program

Well Hello,

Congratulations for taking the initiative to check out our Seneca Land District membership Summer Sign Program. The following three will explain this program and how you can advertise for new members. You can personalize with your own contact phone numbers (simply give the sign company your contact phone number). Our plan is that Chapters would order their signs and then send a copy of the invoice to John Howe, District Treasurer for a 50% reimbursement; up to \$150), We then have created a list of golf courses for every chapter in Seneca Land. The Golf courses address, and phone number. Each chapter can then contact the golf courses, obtain permission to place the “Wanted - Men Who Like to Sing” yard signs.

Good luck in your recruitment efforts.

Yours in Harmony;

Art Zelesnikar –  
Vice President of Membership &  
The District’s Chief Recruiting Officer

Advertise for potential singers at golf courses  
100 signs for \$300

The District will co-op this cost so net chapter cost is \$150 or \$1.50 a sign
